I'm finding more email. I had to go to options and separate all the emails so I can find them specifically. What a pain 藍.
Make sure you make them individual before searching. It helps a lot.

Did you try the "sent" folder, too? They are supposed to show up when you search the inbox but sometime they don't. I

though you emailed Crystal C'Bearing a bunch of stuff.

Hi Omar,

Please search your email (both Inbox and Sent folders) for these email addresses:

Crystal C'Bearing <cbearing.nathpo@gmail.com>

edmundbaker@mhanation.com

Kip Spotted Eagle <yst.thpo@gmail.com>

atwobears@standingrock.org

If you want to create a folder and slide all the emails into that one folder, then you can select all the emails in that folder, click on "File" in the upper left hand corner and "Save as Adobe PDF." I think that saves a few steps for you. Please save that pdf file in the **Dewey-Burdock Emails with Tribes** folder of our UIC SharePoint site. I will send you an email link to that folder so it is at the top of your email.

Thanks!

Valois
